AMPLIFIERS

SMALL FOOTPRINT. BIG SOUND.

JBL® Commercial Series Amplifiers (CSA) go well beyond the expected in generating powerful sound as we continue to set new standards in commercial amp technology.

COMMERCIAL SERIES AMPLIFIERS

Simple to configure, the Commercial Series Amplifiers provide a DriveCore™- based sound solution for increased reliability and unrivaled performance that is ENERGY STAR® certified.

- *ENERGY STAR® certified*
- *1 or 2 output channels with 40W, 80W, 120W per channel*
- *Built-in 70V and 100V*
- *Fanless, space-saving 1U design*
- *Sleep mode disable function*
- *Sleek industrial look with illuminated rings making knobs easy to see and use*
- *Supports the JBL CSR-V wall controller via Ethernet cable*
- *Universal power supply*
