

# ALLEN&HEATH

# QU-SB

## 19" RACK EARS OPTION

This option enables you to fit 19" Rack Ears to the Qu-SB mixer.

### FITTING INSTRUCTIONS

Publication **AP10299**

Issue 2 June 2018

# FITTING THE 19" RACK EARS

## 1) CHECK THE CONTENTS QTY

AA10262-L*	RACK EAR QU-16 LEFT	1
AA10262-R*	RACK EAR QU-16 RIGHT	1
AB0332	SCREW M4X8 PAN TORX BK	4

\*The rack ears are not identical – one is for the left side and one is for the right.

## 2) TOOL REQUIRED

T20 Torx driver

Large flat blade screwdriver

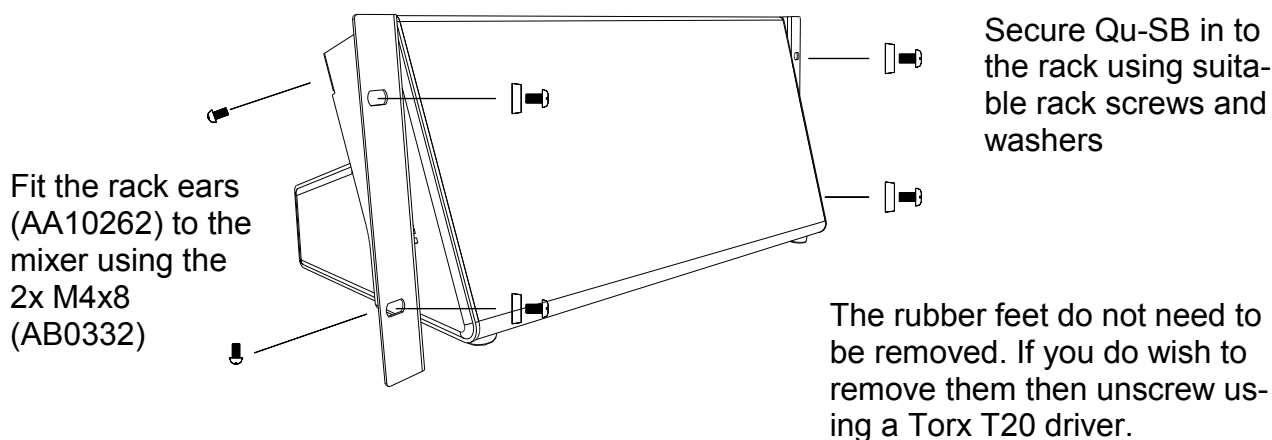

## 3) ENSURE POWER IS DISCONNECTED

Before attempting to fit the Rack Ears, remove power to the unit and disconnect all cables.

## 4) ATTACHING THE RACK EARS

Make sure you have a clean workspace so you don't scratch or damage the mixer.

Screw the rack ears to the underside and rear of the unit with 4 M4x8 pan torx screws using T20 torx driver. (see diagram below)
