The perfect solution for your individual workspace. With this desk mount you can position two monitors up to a size of 32" in a space-saving and ergonomic way. The robust aluminum construction with integrated gas spring can bear a load of 17.621 lbs each. The connection plates are designed for VESA sizes 75/75 and 100/100. Thanks to the large stable table clamp (up to 3.35" thickness), the complete mount is quickly installed and can be used flexibly. Here a height adjustment of up to 7.874" is possible. Each arm offers an additional 13.78" of height adjustability. Of course, each head can still be infinitely tilted, rotated and swiveled for a perfect viewing comfort and improved working posture. The integrated cable management ensures a tidy and professional workplace.
