SEAMLESS CONNECT

Universal dvLED Floor-to-Wall Mount

The SEAMLESS Connect Universal Series by Peerless-AV® offers a versatile lineup of substructures for environments where wall mounting is not an option. Purpose-built for dvLED video walls and all-in-one displays, the SEAMLESS Connect Universal Floor-to-Wall Mount supports full system weight with strength and stability. Its slim, space-saving design simplifies setup and speeds up installation. The quad post leveling base and wall tie-back brackets ensure a plumb structure and a perfectly flat mounting surface for dvLED installation - Ideal for corporate lobbies, retail, hospitality, showrooms, events, and entertainment spaces.

- Adaptable solution for installations where mounting direct to a wall is not an option
- Slim, space saving design fits neatly in any installation environment
- Lightweight aluminum frame makes shipping, handling and installation easier
- Anodized aluminum finish for a durable, decorative appearance
- Modular design provides scalability in installation configuration and size
- Integrated cable management protects, contains and conceals cables for a clean, professional installation
- Compatible with all SEAMLESS Connect Universal mounts, offering peace of mind when designing solutions or if project specs change
- Optional trim kit accessory (LEDTK) offers compatibility with most displays
